

HERE'S THE NEWS

FEBRUARY 2018

Here is a roundup of 'Sugar Hill News' for February. If you missed last month's Newsletter here is a reminder of a new initiative 'RotaKids' coming to Sugar Hill Primary soon.

RotaKids is coming to Sugar Hill.

What is Rotakids?

Rotakids is an exciting way for children at Sugar Hill Primary to lead and engage in important, lively activities that will make a positive difference in our school, in our local community and globally. At the same time RotaKids will develop the ability and confidence for Sugar Hill pupils to take their place in society as responsible, successful, effective citizens both now and in the future.

Why is Rotakids coming to Sugar Hill?

We have been involved in discussions with our Local Rotary Club about this exciting new initiative. We know that Rotakids will further enhance the work we do and extend our links with our local community and beyond. RotaKids is to be sponsored by our local Rotary Club and will be led by Mrs Legge and Mrs Preece. As citizenship is already such a central part of our school curriculum we see this as an excellent opportunity for Rotary to support and expand the work already happening in school and for us to be more involved in local, national and international projects.

The decisions made will always involve the RotaKids. Jobs for fundraising or service projects will be shared across school to develop whole school teamwork. RotaKids will be appointed to their roles Summer Term 2018 but all children in school will be able to become involved in RotaKids projects.

Rotary Mentors will work with our RotaKids to deliver any project, helping with the background information and any logistical problems.

RotaKids take the following Pledge to demonstrate their commitment to being good citizens:

"As a RotaKid, I endeavour to be fair to all, to serve my community and to show respect for others"

RotaKids will come up with ideas like:

1. Fundraising money for charity
2. Leading on school and local community improvement projects
3. Improving the environment
4. Helping the elderly
5. Helping children in another country.

The sky is the limit and our RotaKids will be coming up with their own ideas.

Mrs Legge and Mrs Preece are currently planning RotaKids at Sugar Hill and the children will find out more about it in the Summer Term. Mrs Legge and Mrs Preece have attended a Rotary Meeting and we are so excited that our school has been chosen by the Rotary Club to launch the first RotaKids group in Newton Aycliffe. There will a press release in the Summer Term about this fantastic new project for Sugar Hill children. More information to follow.

We have a Young Carers Group in school and we would like all our Young Carers to benefit from this group.

Attendance News

A huge thank you to all parents and carers who support our school Attendance Policy and ensure their child/ren arrive on time.

Mini Police Message re Road Safety

Just a reminder from Sugar Hill staff and our Mini Police to please take great care on the roads and paths on your journeys to and from school particularly when the weather is bad (snow, ice). Even when the snow is on the ground the zig-zag yellow lines are still there! Regular car drivers all know where the lines are and even though they may be 'out of sight' our Mini-Police would like to remind you to 'keep them in mind'. Local police will be making spot checks so please park safely away from school. 'Park and Stride' is always best when the weather is against us!

Safeguarding at Sugar Hill Primary School

Just a reminder that Safeguarding children at Sugar Hill Primary School is a shared responsibility. All visitors to our school receive and sign for a Safeguarding Leaflet explaining Safeguarding Procedures at Sugar Hill. If you have any concerns about a child please contact a member of our Safeguarding Team at school without delay.

Designated Safeguarding Staff

Mrs P O'Rourke (Head Teacher), Mrs K Legge (Deputy Head Teacher/Safeguarding Lead), Mrs Rowntree and Mrs McCormack (Assistant Heads), Mrs Atkinson-Jones (Social Learning Mentor)

Many thanks for your continued support,
Mrs Legge (Deputy Head Teacher)

Should you have any concerns please do not delay in contacting us to discuss.
