

HERE'S THE NEWS

APRIL 2018

PLASTICS, PLASTICS EVERYWHERE!

This term all children across school will be learning all about the dangers of plastics in the environment. Through class novels children will be discussing our use of plastics. They will be considering the impact on marine life and land animals through our use of plastics and how they are discarded. In classes across school, the children will in an age appropriate way, learn all about the significant effects this is having on our planet.

Please talk with your child about how you recycle plastics and how we can all play a small part to make a big difference!

Some classes will be asking children to recycle clean plastics from home to use for class projects. Please do not send any bottles into school that have contained detergent.

Attendance News

A huge thank you to all parents and carers who support our school Attendance Policy and ensure their child/ren arrive on time.

It has been a very long time since all classes earned 96% attendance or above. We are hoping we achieve this in the last few weeks of this academic year.

Mini Police Message re Road Safety-

A REMINDER FROM LAST MONTH'S NEWSLETTER.

Just another reminder from Sugar Hill staff and our Mini Police to please take great care when driving along Sheraton Road and the adjoining side roads. Now we have the warmer weather the sun brings a different challenge for visibility when the sun shines in drivers' eyes! Too many drivers are still stopping on the zig zag lines when dropping off at Breakfast Club and when dropping off and picking up at the start and end of the school day. Local police officers are continuing to do spot

checks. Please put the safety of all our children and their families **FIRST**. Last week a driver blocked the main gates and left their car unattended for at least 10 minutes. Please be mindful staff may need to leave the main school car park to attend meetings or family emergencies or we may need an Emergency Vehicle to attend an emergency at school.

TAYLOR SHAW NEW MENUS

New school MENUS introduced after the Easter Holiday have been uploaded to our school website. They are also on display in our SCHOOL KITCHEN WINDOW. Our School Nutrition Action Group will be surveying pupils to find out their opinions about the NEW MENUS very soon.

Safeguarding at Sugar Hill Primary School

Just a reminder that Safeguarding children at Sugar Hill Primary School is a shared responsibility. All visitors to our school receive and sign for a Safeguarding Leaflet explaining Safeguarding Procedures at Sugar Hill. If you have any concerns about a child please contact a member of our Safeguarding Team at school without delay.

Designated Safeguarding Staff

Mrs P O'Rourke (Head Teacher), Mrs K Legge (Deputy Head Teacher/Safeguarding Lead), Mrs Rowntree and Mrs McCormack (Assistant Heads), Mrs Atkinson-Jones (Social Learning Mentor)

Many thanks for your continued support,
Mrs Legge (Deputy Head Teacher)

Should you have any concerns please do not delay in contacting us to discuss.
